Weekly Update

Friday 26th January 2024

Coffee Morning

Mrs Loftus will be holding the next coffee morning on Friday 16th February. Jim Davies from The Hive youth zone will also be attending to talk about what is on offer there for children. If you would like to attend please complete the form below.

Coffee Morning

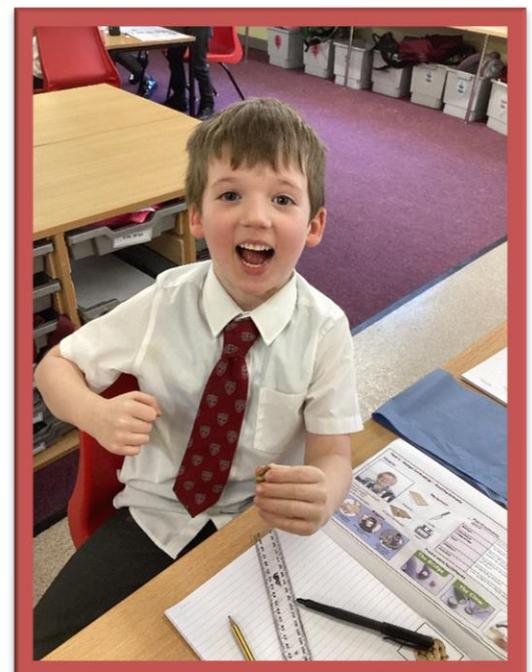

Year 2 Healthy Kebabs

In Year 2, their DT topic is 'Healthy Kebabs'. For their first lesson, they got to evaluate a range of vegetables such as, peppers, olives, carrots, cucumber, tomatoes and mushrooms. They had to think about the name of the vegetables, where it is grown and use adjectives to describe what it looked and felt like. The children then got to smell and taste the

vegetables!

They then had to think about which vegetable they preferred and which one they would include in their final

product, which is a healthy kebab. Year 2 really enjoyed this lesson and tasting vegetables they have never tried before!

Year 6 leadership visit to the Houses of Parliament

Three year 6 pupils had a fantastic day visiting the Houses of Parliament this week. Our Head Boy Zak, Head Girl Mimi and Prefect Nula had the pleasure of walking in the footsteps of our MPs, touring the House of Commons and the House of Lords. It was a great experience to watch the live debate from the green gallery pews, especially as Rishi Sunak was in house debating 'Action Against Houthi Maritime Attacks'.

The children were then fortunate to take part in a parliament workshop where they had the opportunity to ask questions to Damien Moore, the MP for Southport.

No trip to London is complete without a visit to Buckingham Palace, Big Ben and of course the Lego and M&M Store.

Both the children and staff, from the Rainbow Trust, had a fabulous day.

Year 1 Healthy Food Choices

Over the last couple of weeks, Year 1 has been tasting fruit and finding out about healthy food choices.

They evaluated different fruits by tasting them and then recording which ones they do or do not like.

Some fruits were very popular, while some were not liked much at all by many children.

By the end of the half term, they will have designed their own fruit smoothie, worked on their chopping skills and made the smoothie.

We're sure they will be delicious!

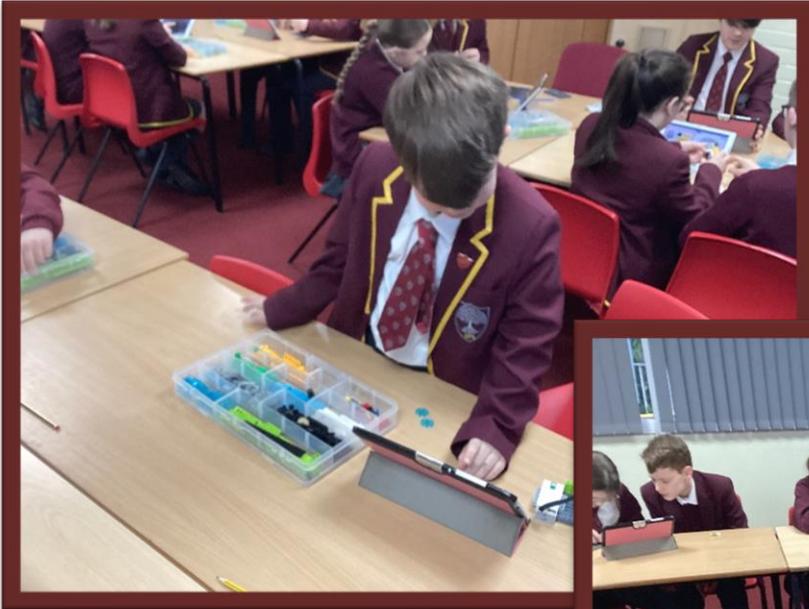

Woodchurch High School Visit

6C visited Woodchurch High School for a science taster lesson with Miss Biddlestone. The children carried on their learning from class about Darwin's theory of Evolution. The children completed two practical activities; they made a replica model of DNA from sweets and extracted DNA from a strawberry.

Year 6 Gears and Pulleys Workshop

Year 6 were lucky enough to be visited by Nick from Junior Stem on Thursday. They investigated gears and pulleys as part of their DT Topic. They used motors, controlled via iPads, to create their own mechanisms and noted how the gears and pulleys were working.

Caring Dads - Men Too (Wirral)

Caring Dads is a program designed to increase fathers awareness as to the wellbeing and safety of their children, build capacity for the application of child-

centred fathering and promote respectful co-parenting with the children's mother; often following a break down in their relationship.
