## Weekly Update

Friday 28th June 2024

### Year 6 Cake Sale Thursday 27<sup>th</sup> June

Thank you to all of the children and adults who supported our Cake Sale this week.

In total we have raised £701.56! A huge achievement!

The money will be used to develop an outdoor learning and picnic area for all children at school.

## Inspirational Sports Day

We will run our yearly 'Inspirational Sports Day' on Friday 5th July for all classes including nursery. This event has been a huge success the past few years.

We are also fortunate to be able to run a Quidditch Day from Reception children to Year 6 on Monday 1<sup>st</sup> July.

African dancing event for Years 3 to 6 will also take place on Monday 1<sup>st</sup> July.

Parents do not attend these days.

## After school clubs

After school clubs for this term finish today. Football and Tennis will still carry on as they are external providers. New google forms will be sent out in September for next term.

## Summer Holidays

The end of term is fast approaching. We close for the Summer Holidays on **Friday 19<sup>th</sup> July at 1.30 pm.**

As the school is closed, there is no after school club on this date.

## Year 2 Geography

Year 2 have been working as geographers this week, investigating the differences between two urban locations: Sydney, Australia, and Liverpool, UK. They have really impressed us with all the facts they have learned about Australia and their ability to compare the two locations using geographical language.

## Year 6 Art

Some fantastic still life drawings from Year 6. We have been inspired by the work of Henry Moore.

## Year 6 Geography

Year 6 have been Geographers on Thursday and have been conducting fieldwork. We have been counting the modes of transportation in our local area and considering how we would present this data.

Below the text, there are illustrations of a pink flower, a white cloud, a pink bow, and a globe. In the center, three children are depicted: a girl in a pink dress holding a large scroll with handwritten text, a boy in a green shirt holding a globe, and another girl in a pink dress. The bottom section of the poster is yellow and contains the following text:

# Parent & Career Transition Newsletter

Welcome to the MHST special edition parenting newsletter focusing on your child's transition from primary school to secondary school. Here you will find some useful tips and links, to advise and help you as parents make this transition as smooth as possible for your child/young person. Most children adapt to secondary school well. However, if your child struggles with the changes, it can be stressful not only to them, but for you as parents and carers, too. It's important to take this into account as you help your child prepare for secondary school.

Some children will respond well to change, and will feel ready for the move, while others will need more reassurance and preparation. Sometimes children who have enjoyed primary school and are expected to make a smooth transition may unexpectedly struggle with the change. It's important to realise all these feelings are normal.

If you would like to share your feedback with us, please scan the QR code above and select our service, MHST Wirral. Your feedback is really appreciated as it helps us improve our service for other children, young people, and families that we support. The feedback we capture will be anonymous

## Useful Tips and Links

- Put yourself in your child's shoes and think of what they are about to experience
- Making friends can take time, so don't worry if your child hasn't settled into a friendship group immediately
- Give them time and a place to hang out with friends when they want to
- All concerns are normal and will pass in time
- Parents/Carers can also speak to their secondary schools to see what they have planned to support transition? E.g summer schools etc

## What is MHST doing to support transition?

As a team MHST are offering support with transition in your child/young persons primary schools, this includes workshops for year 6 exploring transition to high school, workshops and coffee mornings for parents which may help to answer any questions you may have. MHST will be present in High Schools on Wednesday 3rd July for transition day. We will also be supporting high schools in their summer schools throughout the summer holidays as well as being present for the first day of High School in September.
